Testimonials

All of the events hosted by the league are a blast. Not only are there the regular season sports there are charity kickball tournaments for cancer, food bank volunteer events, and the toy drive every Christmas for the Children's Hospital. Joining this league literally changed my life for the better, not just by gaining friends but by being able to give back to a community that has given me so much.

A great place to run around, compete and meet new people. Also the happy hours and seasonal events are fun and well-run.

My husband and I have had some great times with the Houston Sports and Social Club. When we moved to Houston, we didn't know anyone and this is how we found a lot of our friends. We'll be playing in future seasons for sure.
