HoustonSSC Player Testimonials

All of the events hosted by the league are a blast. Not only are there regular season sports there are charity kickball tournaments for cancer, food bank volunteer events, and the toy drive every Christmas for the Children's Hospital. Joining this league literally changed my life for the better, not just by gaining friends but by being able to give back to a community that has given me so much.

Shieva C.

I joined HSSC after seeing a group of people wearing the shirts and was curious about what it was. We've met so many people through this league and branched out from cornhole, to softball, to flag football. The league itself is organized and their staff is friendly. Their other events such as Splash Bash and Oktoberfest are really fun.

My husband and I have had some great times with the Houston Sports and Social Club. When we moved to Houston, we didn't know anyone and this is how we found a lot of our friends. We'll be playing in future seasons for sure.

Holly H.

So happy to be a part of this!! Made some great new friends and have been having a blast in the 4v4 Sand Vball leagues. Highly recommended!! You're missing out if you haven't joined.
